STORY ACHIEVEMENTS

Salil's Curse

*As your good senses deserted you
When you spat upon a hand held out in friendship,
Now let your _____ desert you as well.*

*Suffer for your mindless act
Until you offer your hand
To a Brute of a Devil in kind*

This imposes a 1 die penalty to the listed attribute score above. It can be ended by offering your hand in friendship to an Elite or Adversary Infernal and allow the Infernal to preform an attack against you, at which point this curse ends.

Shathantus the Deliverer of the Final Cut

As a fellow Nol Dappan, King Leoducis has given you his personal war-axe. This is an Exceptional quality weapon.

Cloak of the Crusade

These hooded cloaks are grey in color and embroidered with a green verdigris copper thread. When the cloak is completely enwrapped about a person, they receive a bonus to their Stealth Skill equal to one half their hero tier (rounded up) as it acts to magically camouflage the wearer, blending him/her into the surroundings. This power is only usable when standing still; it will not work if the person is in motion.

ITEMS FOUND

Gift from King Leoducis

The King of Nol Dappa has granted you a Fine quality item from his personal armory. Select any one weapon (except flintlocks), armor or shield (except for restricted items): _____
